During this time of Ruth's absence from the office, there are still a number of ways to get in contact with the church or Rev. McDaniel. You can call Rev. McDaniel's cell phone (567-208-3181); you can email the church (christumc@dacor.net) or go to the website (www.dacor.net/christumc) and send a message to the webmaster (dssmith@bgsu.edu) and that will then be given to Rev. McDaniel. You can also call the church and leave a message (419-686-2621).

Any announcements that you wish to make, please submit them to the church office or by email to dssmith@bgsu.edu and we will see that they get added to this announcement page as soon as possible
