

# Lions Bike for Sight

Saturday, May 4, 2013

The bike ride will utilize the entire length of the Slippery Elm Trail between Bowling Green and North Baltimore, Ohio. There are several distance options available ranging from 10-27 miles for casual and seasoned riders.

Registration will be open from 8:00-10:00am at both ends of the trail and riders will be released starting at 9:00am. This is not a race and all participants are encouraged to take their time and enjoy the views along the well paved and tree lined trail. The trail will be monitored as much as possible for those needing assistance, but please pick a distance to fit your level of endurance and plan to be off the trail by 1:00pm.

Snacks and water will be provided along the route free of charge for registered participants. All monies raised will go towards local club projects to benefit the local communities, provide eye exams and eyeglasses to those in need, as well as help pay for eye surgeries for residents of Northwest Ohio, and to fight preventable blindness world-wide. For more information, visit our website at <http://www.PortageLions.org>.

The registration fee is \$8.00 per rider for all routes if you pre-register before April 27, 2013 and \$10.00 per rider after that date.

Donate a pair of used eyeglasses at the event to receive \$1.00 off the price of the ride, or two or more pairs and receive \$2.00 off.

Mail-in the completed registration forms and checks (do not send cash in the mail) to:
