Computer Science 3600
Spring 2012
Unix Account Setup

1. Create your BGunix account (if you don't already have one). (see instructions titled *Obtaining a BGunix Account* available in the self-help section of the ITS web site http://www.bgsu.edu/its/tsc/self-help/)
2. If you do not have a copy of PuTTY (or some other SSH client) download PuTTY at http://www.putty.org/
3. Log on to BGunix.
4. Execute the **cs-config** command (see instructions titled *Using BGunix* at the http://www.bgsu.edu/departments/compsci/docs/bgunix.html)
5. **Execute the command class -join cs3600**
